In 2020, to ensure low-income people could still access legal help and advice during the COVID-19 crisis, LASC and SEOLS created a new “Virtual Clinic” model, which engages our volunteer lawyers in phone advice clinics.

This live interactive webinar is designed to support attorneys volunteering with these virtual clinics. The LASC and SEOLS Pro Bono Team will provide volunteer attorneys new to virtual clinics with an overview of the procedures. For pro bono attorneys who volunteered at virtual clinics in 2020, the team will provide updates, additional resources, and tips on how to wrap up a virtual clinic consultation.
